## NEIGHBOURHOOD & HOME WATCH

### ARE YOU INTERESTED IN JOINING A LOCAL WATCH GROUP

As residents in Dorset we are very privileged to live in one of the most beautiful counties in the country, and also one of the safest. You could help to make it even safer by joining your local Home Watch group or, if there isn't already a group already established, why not get together with your neighbours and form one?

#### Home Watch schemes:

- Reduce crime and the opportunities for crime and anti-social behaviour by working together as a team
- Provide reassurance to local residents
- Encourage neighbourliness and closer communities
- Improve the quality of life for local residents by knowing who can help them
- Qualify for discounts on home insurance with many insurers
- Get involved in and influence fighting crime
- Receive and circulate crime alerts for the local area
- Give advice on securing your home and protecting your possessions
- Have access to cheaper alarms
- Work in partnership with the police and other partners
