

THEFTS FROM BEAUTY SPOTS

Dont let vehicle crime spoil the view...!

Dorchester's Rural West boasts some of the most stunning scenery that Dorset has to offer, coupled with a lot of history and many idyllic walks.

Car crime is low, help us to keep it that way. Whether you live in the community or are on holiday please take valuables with you when you leave your car. Sat Navs should be removed and the sucker mark polished out. All cash, mobile phones, cameras, and their cases should be taken with you.

Thieves are mobile and target areas, especially during the holiday season. Please don't become a statistic.
