Dear Colleague

Consumer Price Index – September 2010

I write to inform you that the Consumer Price Index (CPI) for the month of September was recorded as 3.1%.

Since the recent announcement in the Emergency Budget on 22nd June 2010, the CPI is now the index that will affect our Police Pensions from next April and will, therefore, be used by the NEC to set the levels of subscription to NARPO for the coming year starting January 2011.

Police Pensions were previously linked to increases in the Retail Price Index (RPI) which stood at 4.6% in September.

Yours sincerely,

Clint Elliott QPM
Chief Executive
