6. STRATEGIC PERFORMANCE BOARD UPDATE/URGENT ISSUES

The ACC advised that the end of year figures looked very positive:

- -3% in terms of crime down
- Positive outcome rate above the target for the year at 28.3%
- User satisfaction up to 84.4%
- % of public who think police in their area doing a good or excellent job has increased by 5.7% to 69.1% this year

- 101 increasing steadily

There had been excellent performance against some of the key targets and the challenge this year was to maintain and improve on those figures.

The PCC asked whether there was a media strategy in place to share this good news. It was agreed that a short internal joint blog would be produced to highlight these achievements.
