

Neighbourhood Policing Teams

.....

Easy words and pictures

Who are they?

There is a Neighbourhood Policing Team (NPT) in every area in Dorset, Bournemouth and Poole.

Each team is a small group of police officers and police community support officers (PCSOs).

Here are some of the things the teams do to help their local communities:

- Patrol the streets
- Visit victims of crime and antisocial behaviour
- Hold meetings so that local people can tell them about any problems
- Work with other local organisations to solve problems that local people have said are important

Find out more about your local NPT at:
