

Can you write a poem about staying home?

Get your creative juices flowing and see what you come up with. Write us a poem and Juliette will read some of them out on our channel next week. Enjoy!

A sheet of yellow lined paper with a blue pencil and a blue ink splatter. The paper is held in place by two blue corner tabs. The text on the paper is as follows:

Things feel strange in this time of worry
But we are staying at home being safe and not sorry

Someday's are boring, we have nothing to do
So we have come up with some activities for you

Write us a poem about staying at home
Do it with your family or just on your own

Make it positive, make it great
Don't make it filled with sadness and hate

Join in with us and share your creations with friends
We can have fun together until this isolation period ends

Juliette :)

A blue ink splatter graphic is located in the bottom left corner of the paper.
