

Week 4

Online Safety Fact Check for Parents

We hope the information provided in previous weeks has given you more of an understanding in relation to online safety

- Have you checked your child's privacy settings on their social media accounts?
- Have you talked to your child about topics such as online bullying and Youth Produced Sexualised Images?
- Has any discussion been held with your child about what each of their apps are and how to update the security settings?
- Have you spoken to your child about their followers on social media? Can they tell you how they know each of them?
- Are you able to talk about personal information?
- Do you know what you are signing up to in regards to apps and games?
